### Get in the Game @ your library™ This Summer

Columbus area teens are encouraged to participate in the Columbus Public Library's teen summer reading program from May 31 to July 29. Young adults entering 7<sup>th</sup> through 12<sup>th</sup> grades are invited to come to the library and read for prizes and take part in special events offered throughout the summer.

Registration begins May 31 on the second floor of Columbus Public Library in the Teen Space. Participants will complete a registration form and receive a reading log to track the amount of time they read this summer. Teens will also receive a summer reading program calendar to keep track of all our weekly events, as well as our Anytime Activities.

Beginning June 6, a new craft or activity will be available each week in the Teen Space. These "Anytime Activities" can be done any time participants visit the library. The first Anytime Activity is a collaborative art project. Participants will use a hula hoop loom to weave a rug for the Teen Space. Our second activity gives summer readers an opportunity to take a yoga break.

Instructions for all Anytime Activities will be posted weekly in the Teen Space.

This year's theme is all about sports, health and personal well-being. Our weekly events have been designed to fit that theme as much as possible. Teens are invited to cook up a breakfast of champions on June 8, at 1:00 p.m. At 2:00 p.m. on Thursday, June 9, participants can chill out with a movie and some popcorn in the library auditorium. Movie title and rating will be posted in the Teen Space during registration.

On Thursday, June 16 at 2:00 p.m., Wildlife Encounters from Gretna, Nebraska, will pay us a visit. Wildlife Encounters gives summer readers a chance to see some of the world's most amazing animals up close and personal. But beware, they do call up volunteers from the audience, so you may have the opportunity to hold, feed, or pet one of these amazing animal ambassadors.

Musician Michael Fitzsimmons will be here on Thursday, June 30 at 2:00 p.m. to help participants make rain sticks. Afterward, he will show us some cool rhythms and we will make music together!

Young adults who participate in the program during June and July will be eligible to attend our wrap-up party at Pawnee Plunge at the end of the summer. The Plunge will open exclusively for summer readers one morning at the end of the program. Participants will be invited to enjoy a picnic lunch in Pawnee Park afterward.

Young adults must have completed sixth grade in order to register for the teen program. Patrons who are entering fifth and sixth grade in the 2016-17 schoolyear have their very own program again this summer! Registration for that program begins May 31 in the Children's Room.

Complete details will be available in the Teen Space throughout the summer. Watch for our teen summer reading calendar at [www.columbusne.us/library](http://www.columbusne.us/library) and [www.facebook.com/columbuspubliclibrary](https://www.facebook.com/columbuspubliclibrary).
