There's Still Time to Get in the Game @ your library™

Columbus area teens are encouraged to participate in the Columbus Public Library's teen summer reading program that runs until July 29. Young adults entering 7th through 12th grades are invited to come to the library and read for prizes and take part in special events offered throughout the summer.

Registration continues on the second floor of Columbus Public Library in the Teen Space. Participants complete a registration form and receive a reading log to track the amount of time they read each week. Teens will also receive a summer reading program calendar to keep track of all our weekly events, as well as our Anytime Activities.

A new craft or activity is available each week in the Teen Space. "Anytime Activities" can be done any time participants visit the library. Our activities for July include learning about flag etiquette, playing guessing games, and an opportunity to earn extra chances for prizes by participating in our "Read-In." Instructions for all Anytime Activities will be posted weekly in the Teen Space.

From now until July 28, the Teen Space hosts an activity each Wednesday at 1:00 p.m. and Thursday at 2:00 p.m. On Wednesday, July 6, participants will explore downtown Columbus during a photography scavenger hunt. On Thursday, July 7, we will deconstruct small stuffed animals and sew them back together in various combinations to draft our own beanie baby dream team.

On Wednesday, July 13, participants will race each other in a life-sized game of Chutes and Ladders. On Thursday, July 14, visitors will help find a missing Scrabble tile in a challenge inspired by popular "escape the room" games.

We will create stop motion animation on Wednesday and Thursday, July 20-21. This two-day workshop has become a favorite of teen summer readers.

The following Wednesday, we will explore the art of mehndi. This intricate and beautiful art form uses henna to stain the skin and create a temporary "tattoo." Participants need parental permission to apply henna and forms are available in the Teen Space. On Thursday, July 28, teens will prepare two sweet snacks to enjoy with a classic sports themed movie.

Summer readers who have actively participated in the program will be eligible to attend our wrap-up party at Pawnee Plunge at the end of the summer. The Plunge will open exclusively for summer readers and participants can enjoy a picnic lunch in Pawnee Park afterward.

Young adults must have completed sixth grade in order to register for the teen program.

Complete details are available in the Teen Space and our teen summer reading calendar is available at www.columbusne.us/library and www.facebook.com/columbuspubliclibrary.
