

**Join us for some "Sweet" Programs**

In February and March the Library will be hosting some programs that are sure to satisfy your sweet tooth! On February 15th at 2pm, join us as library staff member Peggy Engel instructs how to prepare and can cherry jelly. Samples and recipes will be available at the program.

One month later, on March 15th at 2pm, join us in celebrating National Pi month. We will be hosting a program on the art of pie making. Samples will be available during the program, so don't forget your sweet tooth!

**New Look for 2014**

You will notice that our newsletter has taken on a new look for 2014. We will still provide you with information about library news, upcoming events, and some new and notable books coming out, and other features on the services we provide at Columbus Public Library. We hope you enjoy this new look, and we look forward to providing you with an informative publication every other month.

See our Facebook page for all the latest news on programs and events.

**Young Adult News**

Cool things are happening in the Teen Space this February and March. The High School Book Club is making a comeback! We will meet on Sunday, February 2 at 3:00. Teens are encouraged to bring a favorite book to share with other participants. We will choose our book for the March 16 meeting. This book club is free and patrons in grade 9-12 are welcome to attend. Registration is not required for High School Book Club.

March 9-15 is Teen Tech Week. Since Rachelle will be out of the office that week, we're celebrating all month instead. Our after school programs at 3:00 on Wednesdays will focus on technology. Participants will gain an understanding of

computer coding with offline and online activities, and make music with GarageBand. Patrons who are not out of school early on those Wednesdays are welcome to drop in at 4:00 and join the fun. Please check our website or Facebook for more information. Registration may be required for some of the events in March. Contact Rachelle at 402-562-4201 with any questions about this or any of our young adult programs.
