Ride Tip: Often, schedules fill quickly. Consider this when making transportation reservations: Public Transportation is subject to variables beyond CAT controls, traffic, tardy passengers, difficult transfers, etc.

4. **SUBSCRIPTION RIDES:** A subscription trip is a ride that is reserved on a regular basis by the same individual, at the same time, to the same destination, daily, weekly, or monthly. For instance, a ride might be from an individual's residence to work and back again five days a week; or it might be on the same day once a week to a regular-scheduled meeting; or it could be daily trips to/from a meal site. CAT will schedule subscription trips as possible, made on a first come first served basis, without prioritization. Requests need to be for a specific time/day/destination. Schedule return trips in the same way, as needed.

5. **PICKUP TIMES/WAIT POLICY:** Riders need to be ready 15 minutes prior scheduled pick up time. The driver will do its best to be on time so wait at least 15 minutes after the scheduled pick up time before calling the office.

The driver will observe a five-minute window upon arrival, after that the driver will proceed to next destination and you will be marked as a no-show. First offence of a no show will result in a verbal warning, second offence you will get a written warning, third offence your riding privileges will be suspended for 2 weeks, fourth offence your riding privileges will be suspended for 4 weeks, fifth offence your riding privileges will be suspended for 6 month, on sixth offence you will lose your riding privileges. No-shows include not showing up when scheduled or a call in less than 30 minutes before pick up.

**combination is over 500 pounds, special arrangement needs to be made with the CAT office.**

If you need assistance past the bus door, to carry your packages, or if you need assistance while riding the public transit, you may have an attendant ride with you at no charge but attendant needs to complete registration.

**Riders can board with what they can carry onto the vehicle & securely place at their feet or below the seat not interfering with other passengers.**

**Drivers are not responsible for loading/unloading & carrying groceries/packages to the door. Riders will not be permitted to leave packages on the vehicle when making multiple stops.**
